

## Grade 6 A – Pop quiz 2 / First term 2020 - 2021

My name is Salem, I have never liked sports. My father says I should do sport and asks me to play football with him, but I don't want to. I want to sit in front of my computer and play games all day. I don't like getting hot and sports make me very tired.

My mother said I must use the stairs in our apartment building. It is hard work climbing stairs, but I must do it. My mother gets angry when I take the lift. All my family like to eat healthy food like dates, rice, fish and fruit. Fruit! Yuk! I know I should eat healthy food but I don't like it at all! I love fizzy drinks and eating cheeseburgers, pizza and chocolate.
