

1. Completa la tabla:

| Figura                                                                            | ¿Poliedro? | ¿Prisma? | Figura                                                                            | ¿Poliedro? | ¿Prisma? |
|-----------------------------------------------------------------------------------|------------|----------|-----------------------------------------------------------------------------------|------------|----------|
|  |            |          |  |            |          |
|  |            |          |  |            |          |
|  |            |          |  |            |          |

2. Escribe los nombres de las partes de la pirámide:
