Lukáš and Marta answer the question: Why do you want to study abroad? Give three reasons why it is good. Give one reason why it is bad.

A young man with short brown hair, wearing a grey blazer, white shirt, and dark tie, standing with his hand on his chin in a thoughtful pose.

I can see new things abroad like monuments. I will miss friends. I can make new friends. I can learn a new language. I will miss my family.

A young woman with long brown hair, wearing a green sweater and black skirt, standing with her hand on her chin in a thoughtful pose.

There are three reasons why I want to study abroad. Firstly, you can learn new language. Secondly, you can make new friends. Thirdly, you can get away from your parents. However, I will miss my old friends.

Whose answer is clearer? Lukáš's or Marta's?

Why?

Marta says 'There are three reasons why I want to study abroad'.

This is a clear introduction.

Marta uses words like 'firstly, secondly, thirdly'. These words tell us:
This is a new point.

Marta uses 'however'. This tell us she will change from the pros to the cons.

Lukáš tell us a pro, then a con and then another pro.
