

# BACK TO SCHOOL RAP

ACCORDING TO THE RAP PUT IN ORDER THE  
NEXT PARAGRAPH

It's time for  
school, school again.  
It's time to make,  
make new friends!

But summer's gone  
and school is here,  
It's going to be  
an awesome year!

It's time to use,  
use our brain.  
It's time to enter a  
whole new grade!

Put your hands in the air  
and say "Back To School!"  
(Back To School)  
Put your hands in the air  
and say "Back To School!"  
(Back To School)

It's time to get our  
school work on.  
We've had our fun  
all summer long!

It's time to learn  
a whole lot more,  
Than we learned  
the year before!
