to bump into

die

a quiet neighbourhood

contacts

city lover

An urbanite is a , a person who lives, works or
in the city and who has fun , shopping or just being .

He or she enjoys life in the big city because it gives them the chance

interesting people and get lots of professional .

Urbanites trendy gadgets and have more

on social networking sites than any other . Not surprisingly

then, they'd probably if they had to move to

in the country.
