

"One Love"

Now United & R3Hab

I can _____ your heart right now
I can feel your heartbeat _____
Louder than the drums right now
Banging from a _____ now
Open up your arms real wide
_____ is on the other side
Let's hold each other _____

Everyday, everyday, everyday, everyday, everyday, everyday
We laugh we cry, we keep on dreaming
Everyday, everyday, everyday, everyday, everyday, everyday
You know the vibes, you know the feeling

One love
It's time to light it _____
Come take my hand, let's touch
The world tonight
We need one love
It's time to light it up
Come take my hand, let's touch
The world _____
We need one love

One lo, lo lo-lo love
One lo, lo lo-lo love
Tonight we need one love

Someone in the _____ right now
Needs a little love right now
Do it for the _____ now
_____ people now
Even when it's dark outside
Put your phone to the _____
And shine it all around

Everyday, everyday, everyday, everyday, everyday, everyday
We laugh we cry, we keep on dreaming
Everyday, everyday, everyday, everyday, everyday, everyday
You know the vibes, you know feeling

One love
It's time to light it up
Come take my hand, let's touch

The world tonight
We need one love
It's time to light it up
Come take my hand, let's touch
The world tonight
We need one love

One lo, lo lo-lo love
One lo, lo lo-lo love
Tonight we need one love
