1

Dad Shh – look, there's a hedgehog.

Girl Oh yes! What's it doing?

Dad It's looking for food.

Girl Does it eat grass?

Dad Yes, it does. And it eats meat and some things too.

Girl It eats some things ... some ... fruit ... seeds. Does it eat meat?

Dad Yes, it does. It likes meat. And it likes insects too.

Girl Insects! Yuck! Does it drink water?

Dad Yes, it does.

2

Dad Hey, look. There's an owl.

Girl Oh yes. What's it doing?

Dad It's waiting for a small animal.

Girl Does it eat meat?

Dad Yes, it eats meat. It eats mice, frogs, things like that.

Girl Does it eat insects?

Dad No, it doesn't. Not insects.

Girl What about fruit? Does it eat fruit?

Dad No, it doesn't. It doesn't eat any fruit or vegetables.

Girl It only eats meat. What does it drink? Water?

Dad Yes, it drinks water.

3

Dad Look, you see the frog?

Girl Oh yes. Look! It's eating an insect.
