Noora Salem—Hi, everyone! I'm Noora, and I'm from Abu Dhabi in the U.A.E. I'm a freshman and my major is business. I speak Arabic, English, and a little French. I am very happy to be at the college and I want to become a member of lots of clubs. I love meeting people and doing different things. See you in class soon!

Giovanni Pucci—Hi guys, Giovanni here. I'm from Italy, from a small city called Lucca. I am a sophomore and my major is engineering. I come to the English program to take extra English classes because I love languages. I also speak German and French, and Italian, of course. I belong to the film club, too. We show some great Italian films. Come along!

Hanna Akita—Great to meet you guys. My name's Hanna, and I'm from Osaka, Japan. I'm new to college—this is my freshman year—but I'm not new to the U.S. I live in an apartment off campus with my sister. I'm not very good at languages, so I want to take lots of classes with the English program. My major is business administration, so I need to speak English very well.
