5 predictable	.....	<b>E</b> new and different
6 dull	.....	<b>F</b> something that is fun and makes you happy

## 2. COMPLETE THE SENTENCES WITH THE RIGHT WORD

- 1 The actors were very funny and the film was h.....
- 2 The website is very i.....; you can see how they made the animal documentary.
- 3 It was very d..... when the drama teacher cancelled the school play.
- 4 The special effects were great – that underwater city was so r.....!
- 5 The horror film was t..... – my sister cried!

3. COMPLETE THE TEXT WITH WORDS FROM EX. 1 AND 2

I like (1) ..... films that are new and different and I hate (2) ..... films, when you always know how they are going to end. I think Disney animation films are pretty fun to watch – my younger sister loves them! The special effects they use to make the animated characters are very (3) ..... – they sometimes look like real people! But my favourite genre is definitely comedy. I saw an amazing new comedy at the cinema last week. It was (4) ..... – the actors were very funny and I laughed a lot! There were one or two bits that were (5) ..... and I was a bit bored then, but at least it wasn't scary like that (6) ..... film I watched last month! I thought it was funny, interesting, entertaining and (7) ..... – I would definitely recommend it!

4. REPLACE THE UNDERLINED WORDS WITH THE NOUNS

audience      income      box office      publicity      special effects  
talented

1. You can buy tickets at the place they sell tickets
