Suddenly, two police officers came and chased the boy across the park. They eventually caught him. Then, they put him into their police car! It was over within minutes. I was shocked, but I am glad he got caught!

Hi Amy,

How are you? You will never guess what I saw yesterday!

I had gone to the local park to read a book. I was relaxing on the soft grass when I saw a teenage boy with a can of black spray-paint. He was drawing graffiti on the clean walls of the park!
