2 Read and answer. Write in your notebook.

It was my 11th birthday on September, 29. My friends and I had a **Treasure Hunt** in the park in front of my house. There were six of us and we were pirates for the day. It was great fun! We went up and down the park to find all our party food! The sandwiches were behind the tree and the drinks were in a box opposite the table! And where was my birthday cake? It was on a chair, under a big hat! All my friends found a present each, then we sat down to eat. It was a great day!
