

“The Boy Who Harnessed the Wind”

What problems did William's family face?

What solutions that are available to you were not available to him?

Even though William's family had some money for food, they were still hungry, why?

Why was William so desperate to go to school?

Why was he expelled from school?

Why were William's parents angry with the schoolmaster?

What opportunities are available to you, which were not available to William?

What might you do if you were in William's situation? (Remember the resources and opportunities that were available to him.)
