

Read the following text then answer the following questions:

My name is Bob. There is a new water park in town. I go there on the first day of summer with my family. It has seven pools and ten water slides. There are sprinkles too. The slides are scary at first. After the first ride, we love the water slide.

The sprinkles are cool on hot days. One of the pools makes it own waves. All the kids try to surf the waves. It is fun.

The water park can be very crowded. There are many kids and adults, but they do not allow pets. As well, you can find a big restaurant next to the water park. We enjoyed a delicious lunch there.

We really like the shops in the park. They sell popcorn and donuts.

1. What is the text MAINLY about?

- A. Bob's family
- B. Bob's new friends
- C. The new water park
- D. The new amusement park

2. What does the underlined word (like) mean?
