ALL TENSES
ACTIVE & PASSIVE VOICE

These are Amanda and John Mountainberry and they **(1)** ..... **(marry)** for 50 years. They **(2)** ..... **(first meet)** at a summer festival when John accidentally **(3)** ..... **(bump)** into Amanda who **(4)** ..... **(dance)** at the dancefloor. John **(5)** ..... **(apologise)** politely and after some drinks **(6)** ..... **(bring)**, they **(7)** ..... **(start)** talking and step by step they **(8)** ..... **(fall)** in love. Shortly after they **(9)** ..... **(marry),** they **(10)** ..... **(move)** in together and **(11)** ..... **(start)** a family.

Now they are both retired and every morning, they **(12)** ..... **(have)** breakfast together – their breakfasts are daily rituals: water and coffee **(13)** ..... **(always put)** into the coffee machine by Amanda, but the machine itself **(14)** ..... **(always switch)** on by John. John **(15)** ..... **(not toast)** the bread but he **(16)** ..... **(boil)** the eggs whereas milk, sugar, and jam **(17)** ..... **(take)** out of the kitchen cupboards by Amanda. They always **(18)** ..... **(have)** milk with their coffee but today they **(19)** ..... **(use)** cream instead since it is their 50th wedding anniversary. Today is a very special day for them and therefore their children and families **(20)** ..... **(invite)**. Now they **(21)** ..... **(all sit)** at the breakfast table which **(22)** ..... **(nicely decorated).** Some flowers **(23)** ..... **(put)** in the middle of the table next to a delicious cake and everybody **(24)** ..... **(drink)** a class of champagne and **(25)** ..... **(enjoy)** breakfast. John and Amanda **(26)** ..... **(already begin)** opening their presents!

In the afternoon Amanda and John **(27)** ..... **(expect)** some old friends and they hope that all of them **(28)** ..... **(come)**. They **(29)** ..... **(not see)** some of their friends for a long time although when they were younger, they **(30)** ..... **(spend)** quite some time together.
