

Effective Communication

In this section we are going to identify the elements of effective interpersonal communication and practice using them.

Active Listening Lesson

Warmup -- Think-Pair-Share

- 1. Think** of a time when you were talking to someone about something important and you thought the other person was not listening to you.
- 2. Pair** – Tell your partner about it.
- 3. Share** – List the annoying behaviors on the left side of the table..
- 4. Discussion** – what could the listening have done differently to be a better listener?
List the good behaviors on the right side of the table.

Annoying behavior:

Good behavior:
