Read about Grandma Mary

This is my grandma Mary. She is ninety years old and she lives with my aunt, Lisa. She has got two sons, Tom and Peter,and a daughter, Lisa.

Look! This is a photo of my grandma when she was five. When she was young, she lived with her parents. She didn`t have any brothers or sisters. She was short and she had long black hair. She was always relaxed. She was friendly and cheerful, and she had lots of friends from school and the club. She was a very good student. After school, she read books and she listened to the radio. At weekends, she played tennis with her friends at the club.

Today, she is tall and she has got short white hair. She is friendly and cheerful, but she isn`t always relaxed! She is worried sometimes. Look! She always plays cards with me, she doesn`t play tennis at the club!

A) Read the text and circle the correct option
