

**Name:** \_\_\_\_\_

**Subject:** IDU

**Topic:** Who is a Friend?

A friend is someone we **know well** and **love**. We enjoy spending time with them. Friends spend time with us, share special memories and are kind. Some qualities of a good friend are: caring, loyal, trustworthy, honest, patient and helpful.

When you respect self and others, observe the right of self and other and show empathy, these are characteristics of a healthy friendship. Animals such as dogs or cats can also make good friends.

**Choose the correct answer:**
