Beach Day

Mikey and his dad went to the beach. First, Dad put sunscreen on Mikey. Next, they went for a walk and put some shells into a pail. Then Mikey put on his floaties to go in the water. They had lots of fun swimming together and splashing around. When they got out of the water, Mikey and Dad built a huge sandcastle.

Write the numbers 1, 2, 3, 4, 5 and 6 to sequence the events below.

_____ Mikey and Dad walked and put shells in a pail.

_____ Dad and Mikey went to the beach.

_____ Mikey put his floaties on.

_____ Dad put sunscreen on Mikey.

_____ Mikey and Dad built a sandcastle.

_____ They went swimming.
