Dear Ahmad,

How are you?

Let me tell you about my holiday. In December, I went to Australia on holiday with my family. It was summer in Australia and it was very hot! We went to Sydney and I went shopping. We visited a museum and saw famous places. I took lots of pictures but I didn't buy anything. Then we went to the beach. We sailed a boat and went swimming. My dad saw two sharks but they didn't eat us! It was a really great holiday!

Please tell me about your holiday.

Love,

James
