

## YEAR 5 - SMART READER (2)

Benny was a bully in his school. However, no one dared to tell teachers about it. They were afraid that Benny would beat them up. One afternoon, Tommy was playing with his friends, Betty and Missy near their classroom. Benny walked to them and demanded "I want the ball". Immediately, Benny shoved Tommy aside. Then, he took the ball. Betty then screamed "The ball belongs to Tommy". Said Benny to Betty, "I don't care. I want to play with it!". Later, Benny stomped his feet and walked away. Tommy was sad so he sat down and cried. His friends comforted him. Then, they went back to their classroom. During the recess, the bell rang. Tommy and his friends went to the canteen and bought their food. As Betty put her plate on the table, Benny came and took away Betty's noodles. Missy saw what Benny did to Betty and said "I'm going to tell Mr. Ted". Benny replied angrily "Dare you!". The three friends ran to the staff room quickly. There, they met Mr. Ted and told him about Benny. Mr. Ted listened attentively and then investigating Benny. He found Benny to be guilty so he ordered Benny to wash toilets for a week.
