A note

Hi Rajini

I'm going to be late home from work this evening. Can you pick up some orange juice when you go to the supermarket? We've run out. We don't need any bread. There's a loaf in the freezer. Anyway, I'll see you tonight.

Frances

1. Who is going to be late?

   _____

2. Who is going to the supermarket?

   _____

3. What is she going to buy?
