1 **Read the text. Then answer the question.**

Hi! My name is Akino. I'm from Osaka in Japan. My school day starts at 8.30 a.m. and finishes at 3 p.m. Each class is 50 minutes and we have six classes a day. We have a ten-minute break between lessons. I usually have a snack in my break. After school, all the students go to an after-school club until 6 p.m. I go to music club because I want to be in the school concert. Do you go to an after-school club? I don't have much free time in the evening because I get two hours of homework every day. I want to get good marks, so I always do my homework. I go to bed at about 10 p.m. It's a long day.
