

8. LISTEN TO THE RECORDING, ANSWER THE FOLLOWING QUESTIONS AND FILL IN THE BLANKS WITH THE MISSING WORDS

Dentist: So, are you having any problems with your teeth?

Patient: Not my teeth, no. But I keep getting these nasty ulcers.

Dentist: Hmm ... yes. 1 are a common sign of stress, and it can be hard to make them go away.

Patient: I know, but the thing is, I'm not 2 at the moment.

Dentist: Okay. Let me take a look. 3 the sores?

Patient: On the 4 , just here.

Dentist: I see. You have lots of 5 and a couple of rather 6

, too.

Patient: What do you think the problem is?

Dentist: Actually, I think you'd better see your doctor.

Patient: I don't understand. Isn't it a dental problem?

Dentist: No, some mouth infections are a sign of an underlying medical issue. You'd better see a doctor. He or she can perform some tests.

Patient: Okay, I'll do that.

9 Use the conversation from Task 8 to fill out the patient report.

Patient Report

Name: Fiona Moore

Observations: Ms Moore has and bulae on the insides of her . She is not under .

Recommendations: I advised Ms. Moore to see a as these ulcers suggest an underlying .
