A. Florida has always been very popular with tourists from different parts of the world. It presents a lucky combination of pleasant climate and man-made attractions. Thousands of parents and their children go there in search of fun, sun and entertainment. They enjoy theme parks like the Walt Disney World Resort and the Sea World Resort, numerous movie studios, water parks, pools and other facilities.

B. One of the most popular places is the Walt Disney Resort, the biggest amusement park in the world. It includes different attractions for younger tourists. Children can enjoy magic exhibits or explore science at special centers situated within the area of the resort. They can also watch wild animals at the Animal Kingdom or enjoy one of the world movies at Disney Studios.

C. However, there is more to see in Florida than just Mickey Mouse. Florida is probably the sunniest state of the USA. Its nickname is the 'Sunshine State'. Though Florida is one of the flattest states in America, its landscape is really amazing. Lakes with fresh water, hills, forests, eight miles of coastline and countless small islands create a fantastic atmosphere in the resort.

D. Florida provides an opportunity for adventure on both land and water. There are many types of unique wildlife, including dolphins and whales, deer and black bears. Tourists can enjoy African wildlife in a huge park in Tampa Bay. Giraffes, lions and zebras walk through the park's grounds. Tourists can watch the animals in the wild and take photos. It goes without saying all kinds of hunting are strictly prohibited.

E. Besides all of this, Florida is also an extremely popular seaside resort. One of its beaches was called the safest bathing beach in the world. The range of facilities for holidaymakers is also impressive — from banana riding to renting boats for fishing and dolphin watching. Numerous cafes offer tourists excellent service, tasty seafood and a vast variety of drinks to cool down on a hot day.

F. Hurricanes are a fact of Florida life. They can affect some vacations that is why it's wise to avoid Florida in certain months. The Florida Hurricane Season officially starts on June 1 and ends on November 30. Historically, September is the most active month of the year. The National Hurricane Centre monitors the territory of Florida in order to warn the people of the danger well beforehand.
