

[UNIT 5. HIGHER EDUCATION]

VOCABULARY

Full Name:

Class:

** Use the correct form of the word in brackets to fit each gap.*

All students throughout the world sit for (1) _____ (examine) at some point in their lives. If students are (2) _____ (succeed), they get a formal (3) _____ (qualify) that enables them to get a job or continue with further (4) _____ (educate).

Most formal testing involves a (5) _____ (mix) of techniques, but the most common form requires students to show that they have a detail (6) _____ (know) of the subject area. Students who do not pass are not considered as (7) _____ (fail), they simply need more time to study. Some of them are simply (8) _____ (lucky).

The majority of students who have always worked hard in their studies pass their exams because they have made a good (9) _____ (impress) on the examiners and have also succeeded in showing their (10) _____ (intelligent).
