

READING COMPREHENSIONRead the story and complete the following activitiesAre these sentences True(T) or False (F)? Correct the false ones**Winnie the Witch**

This is Winnie the witch. She lives in a big black house. She has got a cat. The cat's name is Wilbur.

Wilbur is black too but has got green eyes. All the things in her house are black. A black chair, a black carpet, a black door... Winnie can't see the cat in the house and sits and trips over him. She has an idea! She paints the cat green with a magic trick. But now she can't see Wilbur in the garden. She paints Wilbur many colours but all the animals laugh at him and he is unhappy. Winnie changes Wilbur black again. With a magic trick she paints her house yellow and the things in colours. Now, she can see Wilbur in the house.

- 1) Winnie the witch lives in a colourful house ____
- 2) She has got a cat ____
- 3) Wilbur is green at first and black then ____
- 4) Wilbur is happy ____
- 5) Winnie paints her house of many colours ____
