

Yesterday Once More The Carpenters

When I _____ young I'd listen to the radio
Waitin' for my favorite songs When they _____ I'd sing along
It _____ me smile.

Those _____ such happy times and not so long ago
How I _____ where they'd _____ but they're back again
Just like a long lost friend all the songs I _____ so well.

Every Sha-la-la-la Every Wo-o-wo-o
Still _____ every shing-a-ling-a-ling
That they're startin' to _____ so fine.

When they _____ to the part where he's breakin' her heart
It can really _____ me _____ just like before
It's yesterday once more.
