

Listen to the song and write down the tenses of the highlighted verbs:

FRIENDS WILL BE FRIENDS

Another red letter day

So the pound **has dropped** and the children **are creating**

The other half **ran** away

Taking all the cash and leaving you with the lumber

Got a pain in the chest

Doctors on strike what you **need** is a rest

It's not easy love, but you've got friends you can trust

Friends **will be** friends

When you're in need of love they **give** you care and attention

Friends will be friends

When you're through with life and all hope is lost

Hold out your hand 'cause friends will be friends

Right till the end

Now it's a beautiful day

The postman **delivered** a letter from your lover

Only a phone call away

You tried to track him down but somebody stole his number

As a matter of fact

You're **getting** used to life without him in your way

It's so easy now, 'cause you got friends you can trust

Friends will be friends

When you're in need of love they give you care and attention

Friends will be friends

When you're through with life and all hope is lost

Hold out your hand 'cause friends will be friends

Right till the end

It's so easy now, 'cause you got friends you can trust

Friends will be friends

When you're in need of love they give you care and attention

Friends will be friends

When you're through with life and all hope is lost

Hold out your hand friends will be friends

Right till the end

Friends will be friends

When you're in need of love they give you care and attention

Friends will be friends

When you're through with life and all hope is lost

Hold out your hand 'cause right till the end, friends will be friends

Yeah, yeah
