\_\_\_\_\_ a big trend is the mask and the vaccination card. Parties and night walks are not \_\_\_\_\_. Everyone is at home doing homework. It's not trendy to go on \_\_\_\_\_ to the sea. Everyone has a holiday at the Lake Balaton. My friends and I are talking about video games, girls and what is happening to us. Life in the past was \_\_\_\_\_. People didn't have electric cars. Nowadays sports stars more money than before. The planes are safe, \_\_\_\_\_ and fast. The first mobile phone \_\_\_\_\_ in 1983. We can't imagine our lives \_\_\_\_\_ a mobile phone.

I prefer wearing \_\_\_\_\_ clothes, because they are comfortable and soft. When I go out I usually wear elegant clothes, such as a red dress with \_\_\_\_\_ shoes and \_\_\_\_\_ like a necklace, a bracelet and \_\_\_\_\_.

When I go out I \_\_\_\_\_ wear casual clothes such as trainers, blue jeans and a white T-shirt and a pullover. I don't like to \_\_\_\_\_ trend, because they always \_\_\_\_\_.

My \_\_\_\_\_ clothes are the blue denim jacket, the blue denim jeans and the black cotton T-Shirt. I usually wear a watch. I bought them in a plaza. They are fashionable. They are casual clothes. I never wear clothes that are \_\_\_\_\_. When I was younger I used to wear a pair of \_\_\_\_\_ boots and a woollen hat. I don't wear them anymore because they are out of fashion.

Sports – I am \_\_\_\_\_ about riding a horse, diving in the sea and skiing. I am not really \_\_\_\_\_ in tennis, football and basketball.

Films - I am really \_\_\_\_\_ romantic, fantasy and comedy films. I can't stand horror, western and action films.

Hobbies – I am a \_\_\_\_\_ of listening to music, reading a book and drawing. I hate arts and crafts, collecting and painting.
