X: Come in... this is my room.

Y: Marvellous!

X: Yes, it's very comfortable.

Y: I see a lot of records.

X: Yes, I love it.

Y:

X: It's Twenty One Pilots. Do you like them?

Y: Yes, of course. Their new CD is fantastic! Do you like sport?

X:

Y:

X: No, I don't ... but I play every day with my brother in the basketball court in the park.

Y:

X: He's older than me. He's 18. His room is upstairs.

Y: What a beautiful guitar. Can you play it?

X: My brother plays in a small band and He's giving me lessons.

Y: WOW... does your brother really play in a band?

X: Its name is THE REBELS.

Y: What kind of music do they play?

X:

Y: Interesting. I can't see any books.

X: No, I don't. I prefer listening to music.

Y: OK... What about going to the cinema?

X: I like that... especially if there's an adventure movie.

Y: I like adventure films, too.

X: My favourite is quite old: *Indiana Jones*.

Y: It's true.
