The Cheng Family

This is my family. We are a big family all living in one house. We live in Lindenhurst. My name is Tina Cheng and I am 13 years old. I was born in China. When I was only four years old, we came to live in America. I have a brother, Jackie, who is 11 years old. Jackie was born in China also. We came to America with my mother, Doris, father, Alan, and my mother's parents. They are our grandparents, Anne and James. They take care of us while my parents are at work. My father is a doctor and my mother is a lawyer. They sometimes work very long hours.

We started school and learned English very quickly. We love going to school and getting good grades. We know that school is important. At home, we speak and read Chinese so we know our first language well also. Two years my little baby sister, Laila was born. She is very funny. We speak to her in Chinese and in English. She is a very good student. Last year my family went back to China to visit and we loved it but I wanted to go back to America and be with my friends again.
