### The Altai Mountains

The Altai Mountains are located in Russia on the border with Mongolia, Kazakhstan and China. They are considered one of the most **(BEAUTY)** \_\_\_\_\_ mountain ranges in Russia. The panoramic views from the mountain tops are **(POSSIBLE)** \_\_\_\_\_ to forget.

The colour pallet of the landscape changes **(GREAT)** \_\_\_\_\_ with each season so you will never get tired of it. What makes the Altai Mountains even more **(ATTRACT)** \_\_\_\_\_ is that they are not easy to get to. **(VISIT)** \_\_\_\_\_ feel like they are the first to see this wild landscape.

The **(NATURE)** \_\_\_\_\_ parks around the mountains are quite different; some areas are very cold and covered with snow year-round, while other areas are located near the low-lying Russian Taiga where the climate is mild.
