Hello! Let me show you **my** house. **We** live in a terraced house in Washington. **Our** address is 12 Huidekoper Street. Where do you live?
You can also meet my family.

Have you got any brothers or sisters?

I've got a brother. **His** name's Simon. **He's** ten. I sleep in here with my brother. This is our bedroom. It's small but I like it. Look! There are posters on the wall. I think my room is great. I can decorate it the way I want, and I think it shows what I'm like.

My parents sleep in here. Sssshh, mum's sleeping. **She's** got a terrible headache. Dad's making some tea in the kitchen.

We've got a very silly cat too. It brings birds into the kitchen. **It** sleeps in **its** basket.

We've got two dogs. They sleep in the garden in **their** little house.

I've got a sister too. **Her** name's Cori. She's six. She sleeps in here. **This** is her bedroom. She's got two goldfish. **They** are two years old.

This is our new car. It's quite fast. Do **you** like it?
