

Use the verb in parenthesis and answer. What is the alien doing?

Ex:

(**listen** to music)

The alien is listening to music.

(**read** a book)

(**ride** a rocket)

(**hold** a pencil)

Complete the sentences using the verb in parenthesis, like the example:

1. Charlie is an astronaut, and he works (work) for NASA.
2. The commander _____ (keep) the crew safe.
3. Astronauts _____ (travel) to other planets.
4. Earth is the planet where we _____ (live).
5. Jack is a flight engineer. He _____ (help) the crew with important information.
