

Use the verb in parenthesis and answer. What is the alien doing?

Ex:

(**listen** to music)

The alien is listening to music.

(**read** a book)

(**ride** a rocket)

(**hold** a pencil)

Complete the sentences using the verb in parenthesis, like the example:

1. Charlie is an astronaut, and he works (work) for NASA.

2. The commander keeps (keep) the crew safe.

3. Astronauts travel (travel) to other planets.

4. Earth is the planet where we live (live).

5. Jack is a flight engineer. He helps (help) the crew with important information.
