

Expressions with time

We all went into the aquarium through the automatic gate.

I usually don't have enough , so I grab a sandwich on the way to work.

He says he never puts on weight, but he eats three as I do.

people will realise that not spending enough on education is very unwise.

Although Peter decided not to come with us, he said he hoped we would .

I always take a book to the doctor's surgery to while I'm waiting.

She was given a watch as soon as she learnt to .

I really hate doing stupid exercises.

kill time
have a good time
tell the time
spend time
pass the time
take time off
waste time

ten times three
one at a time
from time to time
a time when
time for breakfast/lunch
in time
at times
(four) times as much
