

With A Little Help From My Friends

Listen and complete lyrics

What would _____ think if I sang out of tune

Would you stand up and _____ out on me?

Lend me your ears and I'll _____ you a song

And I'll try not to sing out of key

Oh I get by with a little help from my _____

Mm I _____ high with a little help from my friends

Mm gonna try with a little help from my friends

What do I do _____ my love is away?

(Does it worry you to be alone?)

_____ do I feel by the end of the day?

(Are you _____ because you're on your own?)

No I get by with a little help from my friends

Mm I get high with a little help from my friends

Mm gonna try with a little help from my friends

(Do you need anybody?)

I need _____ to love

(Could it be anybody?)

I _____ somebody to love

Choose the correct option

(Would you believe in a **love / hate** at first sight?)

Yes I'm certain that it **happens / happening** all the time

(What do you see **while / when** you turn out the light?)

I can't tell you, but I **think** / **know** it's mine
Oh I get by with a little help from my friends
Mm I get high with a little help from my friends
Oh I'm gonna try with a little help from my friends
