

READING AND LISTENING COMPREHENSION

PRACTICE 2

a) Read and write: True or False

Hi Sharon!

Yesterday we were at Longleat. First, we visited the information centre and then we walked to the maze. I hated the maze. For lunch, we had sandwiches in the park. In the afternoon Mum wanted to visit the house. It was boring! Then, there was a tour through the safari park. You can't walk there. You have to go by car or bus because the animals are dangerous. I loved the elephants. I watched them for a long time. The giraffes were beautiful too. The lions and tigers were fantastic! The safari park closed at four o'clock. So, we went back home.
