

SPECIAL ASSIGNMENT: UNIT 11.

CONDITIONALS: ZERO, FIRST, SECOND.

1.

Choose the correct conditional form to complete each sentence.

- a If I see Janet, I **ask / will ask** her about the party.
- b William **won't / wouldn't** come to the party unless you're going!
- c If you gave money to a charity, which one **will / would** you give it to?
- d I **help / will help** you with your homework if you can't do it by yourself.
- e We'll go to the beach later if it **doesn't / didn't** rain.

2.

Complete the first and second conditional sentences with the correct form of the verbs in brackets.

- a If we don't protect wildlife, many animals (die) out.
- b I (be) careful crossing that busy road if I were you.
- c We (go) running this evening if the weather's good.
- d If James (leave) now, he'll miss the end of the film.
- e If the students (not work) so hard they wouldn't do so well.
- f My teacher (not be) happy if I don't pay attention in class today.
- g If Jill had more time, she (come) to the meeting.
- h The rainforests (not survive) if we don't protect them.
- i Unless we (stop) global warming, the ice in the Arctic will melt.
- j If we owned fewer cars we (not need) to build so many roads.

3.

Match the ideas to create possibilities, facts, hypothetical situations:

A. If I were a singer,	1. I understand that everything changes.
B. My mother will buy me	2. If the president allowed them to go.
C. If scientists work harder,	3. They would find the cure for coronavirus.
D. When the clouds are dark	4. I would like to sing with Coldplay.
E. Students would come back to school	5. It starts to rain.
F. I will be better if	6. A new playstation if I pass all my exams.
