Life in the past

so

The connector "SO" expresses CONSEQUENCE

Example:

In the past, people didn't have cookers, so they cooked over open fires.

Write sentences using nouns and verbs from the word bank.

X cell phones – washing machines – cars – electricity – CD players

so (use) candles – (talk) face to face – (listen) to the gramophone –
(travel) by carriages – (wash) clothes by hand

In the past people didn't have
so they
