

**Read about Harry.**

Hi! My name is Harry and I'm Australian. I'm twelve years old and I live in Melbourne. I study in Melbourne High School.

I really like going to school because I'm interested in learning new things.

My school starts at a quarter to eight. It's very early, so I always get up at seven o'clock.

Lessons finish at one o'clock, so I never have lessons in the afternoon. On Mondays and Wednesdays, I have lunch in the school canteen because I have basketball practice, but on the other days I have lunch at home.

I enjoy History and Geography, but my favourite subject is English. French is the most difficult subject for me, so my grades are really bad, but I like it.

When I get home I usually play computer games. My mother is always telling me to do my homework! I only do my homework before dinner. It's great that I don't have homework every day. I have dinner at 8 o'clock and then I chat with my friends online.
