

Hello

By: Adele

Hello, it's me, I was wondering
If _____ all these years you'd like to meet to go over _____
They say that time's supposed to heal, yeah
But I ain't done much healing

Hello, can you _____ me?
I'm in California dreaming about who we used to be
When we were _____ and _____
I've _____ how it felt before the world fell at our feet

There's such a difference _____ us
And a _____ miles

Hello from the other side
I must've _____ a thousand times
To tell you I'm _____, for everything that I've _____
But when I call you never seem to be home

Hello from the outside
At least I can say that I've tried
To tell you I'm sorry, for breaking your _____
But it don't matter, it clearly doesn't tear you apart _____

Hello, how are you?
It's so typical of me to talk about myself, I'm sorry
I hope that you're _____
Did you ever make it out of that town where nothing ever happened?

It's no _____
That the both of us are running out of time

So hello from the _____ side
I must've called a thousand times
To tell you I'm sorry, for _____ that I've done
But when I call you never seem to be home

Hello from the outside
At least I can say that I've _____
To tell you I'm sorry, for breaking your heart
But it don't matter, it clearly doesn't tear you apart anymore

Ooh, anymore
Ooh, anymore
Ooh, anymore

Hello from the other side

I must've called a thousand times

To _____ you I'm sorry, for everything that I've done

But _____ I call you never seem to be home

Hello from the outside

At least I can say that I've tried

To tell you I'm sorry, for breaking your heart

But it don't matter, it clearly doesn't tear you apart anymore
