Alexa Kitchen

1

Age: 13

Country: United States

Alexa became the world's youngest comics book artist when she was five. Two years later, she wrote her first book, *Drawing Comics Is Easy!* Alexa writes books and draws thousands of cartoons¹. When she has an idea, she has to draw it immediately². Sometimes Alexa comes home from school with drawings on her shoes and her jeans.

Jordan Romero

2

Age: 13

Country: United States

In May 2010, Jordan climbed to the top of Mount Everest – the world's highest mountain.

He was the youngest person to climb this famous mountain. When he got to the top, he phoned his mother and said, "Mom, it's your son calling from the top of the world."

It is Jordan's dream to climb the seven highest mountains on our planet – one on each continent³.

Roy Nissany

3

Age: 15

Country: Israel

Roy is a racing car driver. He started his career when he was six years old by driving karts in Israel and Europe. In 2008, at the age of 13, Roy came second in the Million Dollar Race in Italy. Roy flies from Israel to Europe every two weeks to train. People often see him at Ben Gurion Airport doing his homework.
