   .....

   .....

   .....

*EXTRA*

**Keren Johns**

**Age:** 13

**Country:** England

My father is very worried about the environment and he doesn't buy any harmful cleaning materials. We clean the house with a special cloth. We don't use any harmful materials with this cloth – only water! We do the laundry with special eco-friendly soap. We even wash the dishes with eco-friendly soap!
