"Little and large"

Jodie Kidd is a famous international model and a Maserati racing driver. She doesn't like cities. She lives in the countryside with her horses, dogs, cats, and chickens. She hardly ever goes to the gym, but she really likes sports, especially polo and golf. She also goes horseback riding every day. She doesn't smoke and she doesn't usually drink alcohol. But she loves roast dinners and chocolate. She often visits her parents in their home in Barbados.

Asashoryu weighs 140 kilograms and is a grand champion of sumo wrestling. He lives at the Takasago "stable" in Tokyo with thirty other wrestlers. "I always wake up before 7:00 a.m., make my bed, and listen to reggae. I never have breakfast. I train for two hours. Then I take a shower. After training, I always drink a lot of water. For lunch I have meat, fish, and vegetables. In the afternoon I sometimes take a nap or I sometimes go for a walk. At three o'clock in the afternoon we do the housework. In the evening I usually go out for Chinese or sushi. I'm always home at 11:30 p.m."
