**My future job? No idea!**

Everyone in my family has a different idea about my future job. <sup>1</sup> \_\_\_ For example I love reading and making things. My dad, who is an engineer, thinks I should be one, too. He says it's an interesting job. Well, I'm not so sure. <sup>2</sup> \_\_\_ But I don't like working on a computer, and engineers have to do that a lot. My mum has a different idea for me. <sup>3</sup> \_\_\_ That's not a bad idea. I like helping people and I'm good at biology, so maybe it's a job for me. My older brother, Frank, works for a recycling centre. <sup>4</sup> \_\_\_ But what about my opinion? I really don't know! <sup>5</sup> \_\_\_ I'm only 14 and I still have a lot of time to think about it!

- A I like doing maths and science.
- B That's the most important thing.
- C Fortunately, I don't have to choose now.
- D It's because I like doing different things.
- E In her opinion, I should be a doctor.
- F 'We all have to protect the environment', he says.
