What is Earth Day?

Every year on 22nd April in the city of Toronto and all over Canada, people celebrate *Earth Day*. It's a time to help the Earth.

What can you do?

A CLEAN-UP DAY. Get together with friends or other people and clean up the city. Pick up rubbish from the streets, parks, etc. Don't forget to put bottles, paper, and cans into recycling bins.

PLANT TREES. We're going to plant more than 1,000 trees in Downsview Park. Come and help make the park greener. Everyone is welcome.

FOREST WALKS. Go on a walk with your family and learn about forests.

MAKE SOMETHING. Use something you don't need to make something new. For example, make a birdhouse from cereal boxes.
