

**Task 1: Listen and relax**

I'm so high, I can hear Heaven x 2  
Oh but Heaven, no, Heaven don't hear me here

**Task 2: Match the two halves. Draw lines**

And they say that	they all fly away
I'm not going to stand	the wings of the eagles
I'll hold on to	a hero could save us
Watch as	here and wait

**Task 3: Complete the missing words**

**CAME GAVE BLOOD SAVE**  
Someone told me love will all \_\_\_\_\_ us  
But how can that be? Look what love \_\_\_\_\_ us  
A world full of killing and \_\_\_\_\_ spilling  
That would never have \_\_\_\_\_

.....:: Repeat Task 2 ::.....

**Task 4: Choose the word you hear**

And **now/know** that the world isn't ending  
It's love that I'm **selling/sending** to you  
It isn't the **love/time** of a hero  
And that's why I **hear/fear** it won't do

.....:: Repeat Task 2 ::.....

**Task 5: Listen and relax**

And they're watching us  
(Watching us)  
They're watching us  
(Watching us)  
As we all fly away

.....:: Repeat Task 5 ::.....

(Yeah)

.....:: Repeat Task 5 ::.....

Yeah, yeah, whoa
