

A Make predictions. Here is Amy's family today. Where are they?
Look up the captioned words you don't know.

B **Listen for details.** Now listen and match each name with the correct person above.

- | | | | |
|------------------------|-------------------------|----------------------------|-----------|
| a. Amy | c. Sean
<i>/ʃən/</i> | e. Erin
<i>/ˈɛrɪn/</i> | g. Justin |
| b. Tom
<i>/tɒm/</i> | d. Gabby | f. Marie
<i>/məˈri/</i> | |

C **Listen for details.** Listen again. Match the questions and answers.

- | | |
|-------------------------------|-------|
| 1. Who is a teacher? _____ | Amy |
| 2. Who likes school? _____ | Marie |
| 3. Who plays sports? _____ | Gabby |
| 4. Who is Tom's mother? _____ | Tom |
| 5. Who is a baby? _____ | Erin |

D Sean teaches math. His daughter, Erin, likes math at school. Erin is just like her dad. In your family, who are you like? Tell a partner.

*I'm just like my mom.
We both love art.*

Word Bank

Erin is *just like* her dad.
Erin *takes after* her dad.
