

LONG BELLS ROLL SOUND FEAR LONELY
SALT RISE KEY MIRROR SHIELD PLATE
SWORD RULED WILD SAND RULE HONEST OWN

VIVA LA VIDA - Coldplay

I used to _____ the world
Seas would _____ when I gave the word
Now in the morning, I sleep alone
Sweep the streets I used to _____
I used to _____ the dice
Feel the _____ in my enemy's eyes
Listen as the crowds would sing
Now the old king is dead! _____ live the king!
One minute I held the _____
Next the walls were closed on me
And I discovered that my castles stand
Upon pillars of _____ and pillars of _____
I hear Jerusalem _____ are ringing
Roman Cavalry choirs are singing
Be my _____, my sword and _____
My missionaries in a foreign field
For some reason I can't explain
Once you'd gone there was never, never an _____ word
And that was when I _____ the world
It was a wicked and _____ wind
Blew down the doors to let me in
Shattered windows and the _____ of drums
People couldn't believe what I'd become
Revolutionaries wait
For my head on a silver _____
Just a puppet on a _____ string
Oh who would ever want to be king?
